

**November is the month of Thanksgiving!**

Pope Francis says, "It is easy to approach the Lord to ask for something, but to return and give thanks...?"

The Blessed Virgin Mary is *the* model of thanksgiving to God, and by imitating her faith, our hearts are opened to appreciate His gifts and give thanks for His mercy."

**Mother Marie Henriette de la Chevalerie**  
Co-Foundress of the Congregation of the Sacred Hearts  
Nov. 23 Feast Day

When asked to share a 'heart message' with her uncle the Bishop Jean-Baptiste de Chabot who was about to make a retreat, our good Foundress suggested these resolutions:

*"The first is the most essential, to do all your actions with God in mind and for God without letting any human consideration stop you.*

*The second is to forsake the world around you and only to live in it so as to watch over the interests of God, by working for the salvation of your neighbor. In this you will succeed much through the example of a simple and humble life in the midst of grandeur; a life poor and mortified in a position in which necessarily you will have plenty.*

*Your example will make more impression than all the sermons you give. My Lord, the Good God wishes you to be a saint." (Good Mother) (Trochu, The Servant of God. Page41)*

Let us remember our wonderful Sr. Anne Marie, and the advice she gave us in the Newsletter of Nov. 2016. *"As we celebrate our Good Mother's entrance into the Kingdom of God (Nov.23, 1834) let us each take these resolutions to heart, adapting them to our own way of life. Let us give thanks to God for all the examples and blessings God gives us!" (Sr. Anne Marie Tamanaha, ss.cc. Nov. 2016)*

**Reflection:** Henriette Aymer wanted everyone to be fired with zeal for the "Work". She stressed the founder's wish that we be called "Zealots of the Love of the Sacred Hearts of Jesus and Mary", of her desire to make Jesus Christ known and loved, that one should make reparation by one's very way of life for the sins and wrongdoing not only of our time but of all time, of the need to enter into the heart of Jesus, a heart surrendered to save the world. From the very first moments of its existence the Congregation has been totally apostolic...The apostolic zeal of Henriette, that zeal which gave birth to the Congregation itself in the prudent and wise advice which she gave to the Missionaries, but above all in the fervent prayers which she offered for them to the Lord, and which she ordered to be said in all the convents.

# Have a Happy Thanksgiving!

## Thanksgiving Dinner on the run.

A woman called 1-800-323-4848 to find out how long it would take to roast her turkey. To answer the question, the Talk-Line home economist asked how much the bird weighed. The woman responded "I don't know, it's still running around outside."

A lady was picking through the frozen turkeys at the grocery store for Thanksgiving Day, but couldn't find one big enough for her family. She asked a stock boy, "Do these turkeys get any bigger?" "No, ma'am. They're dead."

## When can we meet again?

*It is so sad, but at present we do not know when we will be able to physically meet.*

*We keep in touch by way of this Newsletter and by phone calls and mail.*

*We also don't know when we can have our Garage Sale.*

*We already have many items for the sale and at this point it is best not to donate any more goods. Because of Covid-19 we cannot have visitors coming to see us here at Malia. It is too dangerous especially for our*

*elderly sisters. So please hold on to your items until we can collect and prepare again for our sale.*

*Have courage, everyone, and keep safe and healthy!! Let us be united in love, thought and prayer!*

*Sr. Dolores Marie Pavao, ss.cc.*

*Did you hear about the X-rated turkey? It's served with very little dressing.*

## A Special Note from our Sisters at Regina Pacis Convent
